1. Attached are three self-explanatory incoming cables on [redacted] As you can see, the boys have done a thorough, professional job.

STAT

2. Also attached is an outgoing I have prepared and had coordinated. I am asking you to release it since in paragraph 2, [redacted] is instructed to convey your personal thanks to Adm. Shapp and Gen. Ryan. This was inserted for the obvious political and protocol reasons, but I do not like to take your name in vain without your consent. (Para 4 of the outgoing relates to some DDS&T research in which we are not involved.)

STAT

3. I have talked with Gen. Boles of JTF 728 (Starbird and Adm. Reedy are in Honolulu) and have a call in to Gen. DePuy (SACSA) to keep our Pentagon fences mended. Gen. Boles was delighted. I am sure Gen. DePuy will be. [redacted] [redacted] has already briefed JTF 728 and the SACSA staff.
